		*It is believed that quite a few of the roads granted under these earlier easements were never constructed in the location provided in the easement.					
		**To facilitate legal access to accommodate the legislative sale of cabinsites along Placid Lake the DNRC and others petitioned Placid Lake Road to be a public road; the three Trust Land sections encumbered by the road easement compensated the appropriate trusts through funding by the Land Banking acquisition program. Missoula County continues to refuse to apply for or compensate the State for County Road easements on State Trust Land.
